## **MANAK SOLICITORS ACQUIRE BROWNS SOLICITORS**

Manak Solicitors are delighted to announce the acquisition of Browns Solicitors, a highly respected law firm based in Bromley (51 Tweedy Road, BR1 3NH). This strategic move marks a significant milestone in Manak Solicitors' continued expansion and further strengthens its presence across London and Kent.

Browns Solicitors was established by Managing Director Christine Brown in 2011 specialising in Private Client Law ie Wills, Probate and Power of Attorney. Over the years the firm has built a strong reputation for delivering exceptional legal service. The firm has been a trusted name in the Bromley community for years, known for its Private Client legal expertise. By joining forces with Manak Solicitors, Browns' clients will gain access to a broader range of legal services while continuing to receive the same high standard of care.

This acquisition follows Manak Solicitors' successful integration of Ennis-Webb Solicitors in Biggin Hill last year, reinforcing the firm's position as one of the region's most forward-thinking legal services provider. With a reputation for innovation, Manak Solicitors continues to lead the way with cutting-edge client solutions, such as the trademarked Instant Instruct tool, which allows clients to seamlessly instruct legal services online.

Surinder Singh Manak, Managing Director of Manak Solicitors, commented:

"This acquisition is a major step forward for us. Browns Solicitors has a long-standing reputation for excellence, and we are excited to add this to our existing teams. Our shared values and commitment to outstanding service make this a perfect fit, and we look forward to serving Browns' clients with the same dedication and professionalism they have come to expect."

Christine Brown, Managing Director of Browns Solicitors, added:

"After many successful years serving our clients, I am delighted that Browns Solicitors is joining forces with Manak. Their modern, client-first approach aligns perfectly with our own values, and I am confident that this transition will bring great benefits to our Clients and Team. This merger underscores Manak Solicitors' commitment to growth while maintaining its dedication to providing best-in-class Legal Services. Clients of Browns Solicitors can expect a seamless transition, with myself, Libby and Becky continuing to support them under the Manak Solicitors umbrella."
